Subject: PRESS RELEASE 09/15/14 - Fall Clean Up

PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: September 15, 2014

Contact: Sanitation Department, (405) 329-1023

FALL CLEAN UP

The following are the dates for the City of Norman Fall Clean-Up:

October 04	Customers who have Monday polycart service
October 11	Customers who have Tuesday polycart service
October 18	Customers who have Wednesday polycart service
October 25	Customers who have Thursday polycart service
November 01	Customers who have Friday polycart service

Items must be out by 7:30a.m. on designated Saturday.

The above schedule also applies to rural customers. However, rural customers need to call Sanitation at 329-1023 and schedule an appointment prior to October 4th.

Items should not be placed at the curb earlier than one week before scheduled collection day. Items left at the curb for an extended duration prior to the scheduled collection day may be subject to City of Norman Code Enforcement action and penalty.

Yard waste is not collected as fall clean up items. Yard waste that meets size requirements can be taken to the Compost Facility. Larger limbs and trunks can be taken to the Transfer Station. Other items not collected may include; remodeling or demolition debris such as broken concrete, bricks, lumber, sheetrock, shingles or junk cars, or any hazardous waste such as tires, batteries, paints, refrigerators or any items with Freon, etc.. Any items containing Freon must have the Freon properly captured by a certified technician. Only with the proper tag identifying that the Freon has been removed, will the items be accepted.

Polycarts, wagons, wheelbarrows, etc., are not to be used as containers for clean up items.

The Transfer Station at 3901 S. Chautauqua, will be open from 7:30 a.m. to 4:00 p.m. and is free on these Saturdays for any Norman sanitation customer, so you may haul your own if you wish. Remember to take a current utility bill when you go, or have a driver's license with a Norman address.

For Norman residents in rural areas with City of Norman trash service, there will also be containers set up to dispose of items on Saturday, October 11th, at the following locations:

- American Legion – north of Hwy 9, on 156th Ave. NE
- Denver Corner – 10808 E. Alameda

Proof of residency (either a City of Norman utility bill or current driver's license) is required:

For additional information, contact the Sanitation Department at (405) 329-1023.
